To Have
Your Perfect Wedding**

Perfect

Whether you've been dreaming about your wedding since you were a little girl, or just started thinking about it, you want it to be perfect.

Perfect means something different to every woman. To some, it means elegant . . . to some, casual . . . to some, fun.

At La Tourelle Resort & August Moon Spa, we listen to you and make sure your wedding is perfect, no matter how you define it.

Your Special Day

La Tourelle Resort & August Moon Spa is located on 70 gorgeous acres in the wine country of the Finger Lakes.

Our beautiful property is the ideal setting for your special day . . .

- The gazebo is the perfect place to take your vows, and photos to capture those special memories.
- Our nationally acclaimed Executive Chef will create a menu based on what **you** want.
- The mirrored indoor banquet room is perfect for dancing and dining.
- The covered outdoor patio is a great place to gather and celebrate.

Relax

Taking care of you on the days leading up to your wedding day is also a specialty of La Tourelle Resort & August Moon Spa.

Immerse yourself in August Moon Spa's tranquil environment. Melt those knots away with a personalized massage. Wash away the stress in a relaxing Foaming Seaweed water soak. Put your best foot forward with a Sake Soak pedicure. Then, just sit and enjoy the serenity of the Fireplace or Waterfall Lounge.
